REGISTRATION STEPS IN THE OPEN EDUCATION SYSTEM

Carefully reading this guide will ensure you complete the registration process accurately and quickly.

STAGE 1

1. ONLINE APPLICATION PROCEDURES

1.1. Online Application and Registration Dates

REGISTRATION TYPE	REGISTRATION DATES
Registration via Selection Exam: (Click here to apply)	July 28 – December 1, 2025
Registration with Diploma Equivalency: (Click here to apply)	July 28 – December 1, 2025
Second University Registration: (Click here to apply)	July 28 – December 1, 2025

**Online application and registration processes for all registration types will begin at 10:00 AM Turkish time on the first day of registration and end at 5:00 PM Turkish time on the last day of registration.*

Enrollment via Selection Exam:

Prospective students who have obtained a high school diploma or equivalent from schools in the Republic of Turkey can register by applying to the Selection Exam organized by our University and, if successful, can enroll.

Registration with Diploma

Equivalency: Student candidates who have obtained their high school or equivalent diploma from foreign schools outside the Republic of Turkey can register if they obtain an Equivalency Certificate from the Education Counselors/ Education Attachés within the Turkish Embassies/Consulates or the Provincial National Education Directorates in their region, indicating that they have graduated from a high school or equivalent institution in Turkey.

Second University Enrollment

- Students enrolled in higher education institutions in Turkey,
- Those who have graduated with a bachelor's or associate's degree from higher education institutions in Turkey,
- Individuals who are Turkish citizens, have graduated from higher education institutions abroad, and have obtained an equivalency certificate from the Council of Higher Education, can enroll in a program outside their field of graduation without an entrance exam through the second university enrollment program.

Candidates enrolling in the Open Education Faculty's Aviation Management Bachelor's Program must also upload to the system at the time of application a document showing that they have no criminal record or criminal archive record that would prevent them from obtaining an airport entry card, and a medical board report from a fully equipped hospital, obtained within the last 6 months, stating that they do not have any health problems (hearing loss/deficiency, vision loss/deficiency, etc.) that would prevent them from performing this profession and/or the duties assigned in this profession.

The Open Education Faculty offers optional preparatory classes in its Business Administration (English), Economics (English), Political Science and Public Administration (English), and International Relations (English) undergraduate programs.

A Turkish Proficiency Certificate is mandatory for international students who choose the Turkish Language and Culture Associate Degree or Turkish Language and Literature Bachelor's Degree programs. Students without a Turkish Proficiency Certificate must attend a compulsory Turkish preparatory class.

Online application and registration dates are indicated above according to the registration type. Applications cannot be submitted online or by any other method after the specified dates. To avoid missing the application deadline for any reason (power outage, technical malfunctions, internet problems, etc.), please submit your application as soon as possible.

- Candidates who do not register between the online application and registration dates cannot claim any right to register later, cannot present any excuses including medical reports, and will lose their right to register.
- Those who do not apply online cannot register. University officials may request original copies of the documents you uploaded to the system during the online application. It should be hidden.

1.2. Online Application Process Steps

aoskayit.anadolu.edu.tr From the address on the Online Application System page;

- Citizens of the Republic of Turkey can start by using the 'Login with e-Government' option with their e-Government passwords. It will strike.
- Citizens of other countries will create an account via the 'Foreign National Entry' and 'Register' options. The email address you use here must be your own and accessible.

When you log in to the Online Application System, you must first create a 'Profile'. After creating your profile, you can submit your application by selecting your registration type and the program (country) you will register for from the 'Final Registration Application' option.

The uploaded photograph must be taken from the front, with the face clearly visible, and within the last 6 months, allowing for easy identification of the candidate. The candidate is responsible for any negative consequences arising from the uploaded photograph not belonging to them, or being incorrect or invalid, for use by the Open Education Faculty.

1.3. DOCUMENTS REQUIRED FOR REGISTRATION

The required documents for registration are listed below according to the registration type and are explained in detail.

REGISTRATION TYPE	REQUIRED DOCUMENTS
Selection Exam:	1. Certificate of Educational Status 2. Residence Permit 3. Proof of Payment for Semester Tuition Materials* 4. Turkish Language Proficiency Certificate
Registration with Diploma Equivalency:	
Second University:	

* This applies to programs that accept bank transfer payments (in Africa, Albania, Azerbaijan, Bosnia and Herzegovina, Bulgaria, Indonesia, Iraq, Iran, Kazakhstan, Kyrgyzstan, Kosovo, North Macedonia, Lebanon, Uzbekistan, and Jordan).

**This document demonstrates the Turkish language level of international students. TÖMER, ANADOLU TÖMER, Yunus Emre Institute (TYS) exams, and TÖMER certificates from other universities are accepted. **

A Turkish Proficiency Certificate is mandatory for all students enrolling in programs in Africa, Australia, Indonesia, and South America (excluding programs where the language of instruction is English).

For other international programs, a Turkish Proficiency Certificate is mandatory for foreign students who choose the "Turkish Language and Culture" and "Turkish Language and Literature" departments.

1.4. Educational Status Certificate

1.4.1. Selection Exam and Diploma Equivalency (Candidates Whose MEBBYS Information Cannot Be Retrieved)

The educational document demonstrating that you have graduated from high school or equivalent can be one of the following when applying for online registration:

- **Certified Copy of High School Diploma:** Graduates of the Turkish education system must upload a certified copy of their high school diploma, approved by the Education Counselors/Education Attachés within Turkish Embassies/Consulates, or by Turkish Notaries.

Verifiable (barcoded) documents obtained from the e-Government system or the school of graduation are valid.

- **Certified Copy of Provisional Graduation Certificate:** Students who have recently graduated from the Turkish Education System (High School) but have not yet received their diplomas can obtain a certified copy of the provisional graduation certificate from their school and submit it to the Education Attachés' Offices within the Turkish Embassies. They will upload a certified copy, issued by the Education Attachés within the Consulates General or by Turkish Notaries, to the system.

Verifiable (barcoded) documents obtained from the e-Government system or the school of graduation are valid.

- **Certified Copy of Equivalency Certificate:** For student candidates who completed their high school education abroad, this is a certified copy of the equivalency certificate showing that they have graduated from a high school or equivalent institution in Turkey. The equivalency process is carried out by the Turkish Ministry of National Education, Board of Education/Provincial Directorates of National Education/Turkish Republic authorities in the country where the student is located. This process is handled by Education Counselors/Turkish Republic Education Attachés. Equivalency certificates are issued by these offices.

Turkish Embassies/Education Attachés or Turkish Consulates will upload a certified copy of their equivalency certificate to the system. A verifiable (barcoded) equivalency certificate is valid.

- **Undertaking:** Candidates who cannot prepare certified copies of their High School Diploma, Provisional Graduation Certificate, Equivalency Certificate, and University Diploma will create an Undertaking during the online application steps, print it out, read it, sign it with a ballpoint pen, and upload it, stating that they will submit the aforementioned documents by January 30, 2026.
- **Turkish Language Proficiency Certificate:** This document demonstrates the international student's level of Turkish language proficiency. TÖMER, ANADOLU TÖMER, Yunus Emre Institute (TYS) exams, and TÖMER certificates from other universities are accepted. Students who are citizens of the Republic of Turkey must upload their Turkish Republic identity card.

Copies of the aforementioned educational documents certified by institutions or organizations other than the Education Counselors within the Turkish Embassies/Education Attachés within the Turkish Consulates General or Turkish Notaries will not be accepted.

Discontinuation certificates, temporary equivalency certificates, plain texts indicating graduation, basic course completion diplomas, achievement certificates, and other certificates are absolutely not considered equivalent to graduation certificates, and registration will not be accepted with these documents.

1.4.2. Second University

Candidates whose educational information cannot be accessed in YÖKSYS must enter the document (barcode) number located in the upper right corner of their student/graduate certificate, obtained through the e-Government portal, completely and accurately in order to continue their online application. Candidates who cannot access their student/graduate certificate through the e-Government portal must update their YÖKSYS information by applying to the relevant higher education institution where they are registered/graduated.

1.5. Residence Permit

1.5.1. Student Candidates Applying to the European Programme

- Turkish citizens registering for the European Program will create a Final Registration Information Form online during the application process, using the information on their passport and identity card, and will print it out from the registration page. The form contains information about passport, identity card, address, and residence permit. The form, which will be filled out according to the information on the passport and identity card, will be certified by the Education Counselors within the Turkish Embassies/Education Attachés within the Turkish Consulates or by Turkish Notaries. Therefore, candidates must go to the Turkish Embassy or Consulate to which they are affiliated with their passport and identity card to have the form certified. The certified form must be uploaded to the registration page. The original copy of the form you upload to the system should be kept safe as it may be requested by university officials.
- Non-Turkish citizens must upload a certified copy of their Turkish Republic Identity Card with photo/at least 6-month residence permit instead of the Final Registration Information Form; this copy must be certified by the Education Counselors at Turkish Embassies/Education Attachés at Turkish Consulates or by Turkish Notaries. The original of the document you upload to the system should be kept safe as it may be requested by university officials.

1.5.2. Student Candidates Applying to Other International Programs

Applicants must upload a certified copy of their Photo ID Card, Residence Permit valid for at least 6 months, or Visa valid for at least 6 months, to the system. This copy must have been certified by the Education Counselors/Education Attachés within the Turkish Embassies/Consulates or by a Turkish Notary Public.

Individuals traveling abroad on tourist visas and those without citizenship (refugees) cannot register using their issued travel documents.

1.6. Term Teaching Material Fee Payment Receipt

Candidates registering for the program must pay the Semester Teaching Material Fee, determined by Anadolu University in accordance with the relevant Presidential Decree, after completing the online application process. This fee covers examination services, materials, and other services. The Semester Teaching Material Fee must

be paid after preparing all required documents requested in the online application. For programs where payment is made via bank transfer, a payment document for tuition fees will be created with the bank receipt/delivery note. The student's Turkish Republic Identity Number/student number and full name must be clearly written in the "description" section of the bank receipt/delivery note.

1.7. Candidates Uploading Required Document(s) for Registration

Your registration confirmation process will be completed within a few days by the Registration Centers after reviewing the suitability of your documents. Documents deemed unsuitable will be returned so you can upload the correct documents within the registration period. Registration automation (aoskayit.anadolu.edu.tr) You need to check your registration approval status under the "My Applications" option.

Once your registration is confirmed, your student password will be sent to the email address you provided during registration. You can access your account at aosogrenci.anadolu.edu.tr using your student password. The address is ekampus.anadolu.edu.tr, which is your Student Information System page and Learning Portal. You can log in to this address.

Candidates can check their application status via the Registration Automation system (aoskayit.anadolu.edu.tr) They should check via the "My Applications" link.

Original copies of the documents you uploaded to the system during the online application process must be kept safe, as university officials may request them.

STAGE 2

2. Payments Required for Registration

2.1. Term Teaching Material Fee

Candidates registering will pay the Semester Teaching Material Fee, determined by Anadolu University, which covers examination services, materials, and other services in accordance with the relevant Presidential Decree.

Those whose registration has been cancelled from the Open Education Faculty for any reason, as well as those who have graduated from these programs, must pay any outstanding debts from their previous program before they can re-register with these faculties.

Once the registration process is complete, the Term Teaching Material Fee is non-refundable.

2.2. Payment Methods

For programs where payment is made via bank transfer (Africa, Albania, Azerbaijan, Bosnia and Herzegovina, Bulgaria, Indonesia, Iraq, Iran, Kazakhstan, Kyrgyzstan, Kosovo, North Macedonia, Lebanon, Uzbekistan, and Jordan), a "Bank Statement" document for the Semester Teaching Material Fee will be generated during the online application process. This document will include the bank details for payment and the Semester Teaching Material Fee amount. When making the payment, it is essential to include your Turkish Republic Identity Number/student number and your full name in the "description" section of the Bank Statement/Receipt.

When paying by bank transfer, the student's full name and Turkish Republic ID/student number must be clearly written in the description section of the payment slip. All bank transfer fees are the responsibility of the student.

For programs that accept credit card payments (Europe, Australia, United Arab Emirates, South America, Montenegro, Qatar, North America, Egypt, Moldova, Romania, Serbia, and Saudi Arabia), the Term Teaching Material Fee will be paid during the online application process.

- Anadolu University is not responsible for any consequences arising from the failure to make timely or incorrect registration payments. The responsibility for any incorrect payment lies with the applicant.
- Keep your bank receipt throughout your studies. The receipt will be sent to University officials later.
It may be requested.
- Once payment is made, registration cannot be cancelled and the amount paid is non-refundable.
- For online applicants (excluding relatives of martyrs and veterans) who have uploaded documents, payment of the amount specified during registration is required in order for document verification and registration to be completed.
