

Dear Students,

As of the 2025-2026 academic year, laboratory courses in the Electrical Energy Generation, Transmission and Distribution Program **are carried out on an assignment-based basis through the e-Portfolio System. For active students enrolled in the program in the Spring Semester of the 2025-2026 Academic Year, the e-Portfolio System (<https://aosuygulama.anadolu.edu.tr>)** will be available on homework upload dates. You can log in to the system with your student password. Announcements regarding laboratory courses will be published in the "Shared Documents" section when the e-Portfolio **System is made available**. The assignment upload dates for the International Programs to be carried out in the 2025-2026 Spring Semester are given below.

We wish you success.
